

Steps For Candidate & Enrollment Process on Skill India Digital Portal

Step 1:- Type "Skill India Digital.gov.in" into your web browser.

The screenshot shows the homepage of the Skill India Digital website. The browser's address bar displays "skillindiadigital.gov.in/home". The website's header includes the Skill India logo, navigation links for Schemes, Recommendation, Skill Courses, Job Exchange, Skill Centre, and Skill India Map, and buttons for REGISTER and LOGIN. The main banner features the text "SKILL INDIA DIGITAL celebrates 250K APP downloads" in large, bold letters. Below this, a series of icons represent various services: PMKVY, ONLINE LEARNING, INDIASKILLS, APPRENTICESHIPS, JOBS, MASTERCLASS, and DIGITAL CV. To the right, two QR codes are displayed, each with a rank and the word "Education": "Rank 7 Education" and "Rank 5 Education". Below the QR codes are links to the Google Play and Apple App Store. A "Sign up now!" button is positioned at the bottom center, and a "Download today!" button is at the bottom right. The website is decorated with a dark blue background and hexagonal patterns.
